Only vehicles registered to a homeowner/tenant or authorized by the LPPOA Board of Directors may have use of the Radio Frequency Identification (RFID) transponder devices. The RFID transponder is self-destructive if tampered with.

I understand that the transponder assigned to the vehicle listed above may not be transferred to another vehicle.

I will inform the LPPOA (by notifying the LPPOA manager or a gatehouse attendant/supervisor) within 24 hours if

- this vehicle is no longer in my possession due to its sale, transfer of title, theft, etc.; or
- the license plate on this vehicle is changed; or
- the RFID transponder is lost or damaged; or
- an event occurs which results in my no longer being entitled to resident access into La Paloma

I acknowledge that failure to abide by the LPPOA rules pertaining to use of the RFID transponder for access to the La Paloma community may result in monetary penalties and/or may cause all RFID transponders registered to my property address to be deactivated.
